

Summary of Meeting #4 (10/8/2014)

Dr. Mona Gahunia, DHMH Chief Medical Officer, opened the meeting by reviewing the process and timeline for the recommendations. The group devoted the majority of meeting four to reviewing and discussing the proposed recommendations for hazardous drugs. The group also discussed home infusion standards.

Recommendations

- During the course of reviewing all of the recommendations, some recommendations were modified and some were removed. Appendices were added to address personal protective equipment and hazardous drug administration.
- Dr. Gahunia will add a definition of “hazardous drug.”
- Dr. Gahunia and Sara Cherico will gather additional information on medical surveillance programs and share with the group.

Next Meeting (10/8/2014):

Prior to the next meeting, workgroup members should:

- Review the revised recommendations.
- Review the information on home infusions.

At the next meeting, the workgroup will:

- Work towards consensus on recommendations in the area of hazardous drugs.
